is there any reference to terms like "world-politics" or "world-trade". It does not mean nature either. However it stands for ungodly nature, anything which renounces God or stands in the way of God's will. "To love the world" means to live according to the standards of this world.

Apostle John gives us here the advice: **Do not live your life after the standards of this world or a behavior that has renounced God or which is in the way of His will.**

What shall we NOT DO?

- Focus only on secular (material) things – just as the rich grain farmer in the parable of the Lord
- Living just for the moment – as Esau who preferred a stew of lentils over his birthright
- Have confidence in our own strength only – as written in Revelation 3:17 "I am rich, have become wealthy and have need of nothing" or as the people at the time of the tower of Babel
- Be egoistic in that we only seek fellowship if we need it but otherwise

## Editorial

Dear young Brothers and Sisters

Our Chief Apostle Leber held recently the first Youth Service with the word from 1. John 2:15

*"Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him"*

This Bible verse is not a reprimand but rather an advice how God will bless our conduct and life-style.

Here, "world" does not refer to the globe nor

refuse true and unselfish serving

What shall we DO?

- Seek first the kingdom of God and His righteousness (Matthew 6:33)
- Flee from sin as from the face of a serpent (Ecclesiasticus 21:2)
- Commit your way to the Lord (Psalm 37: 5)

He who does accordingly will be under God's blessings.

Now, dear Youth, we are making preparations for THANKSGIVING, which this year we celebrate on October 2<sup>nd</sup>.

Let us be a firstling in Thanksgiving. Often one says "Thank you" only once he has received something. Sure we have much to be thankful about for things of the past. Our expression of thanksgiving however also covers the future. Our dear God and Heavenly Father has never and will never let us down. His blessing is with us also in the future.

Seeking first the kingdom of Heaven, is also expressed in our thanksgiving offering. Let THANKSGIVING be a feast of heaven here on earth.

With sincerest Love and Greetings from our Chief Apostle and District Apostle with whom I am for the Canadian Youth Day and looking forward to be with some of you in Pangasinan coming October 15 and 16<sup>th</sup> I remain

with kind regards

Urs Hebeisen

## DUE DILIGENCE

August 14, 2005, Sunday at 2:00 o'clock in the afternoon, our District Evangelist Rolex Navarro conducted a Youth Seminar in Makati Central Church. He discuss about "Due Diligence".

Diligence means; *an effort, a constant work*. We need diligence in everything to be successful. We need diligence in our natural work, in school, in the circle of our family and friends. We need diligence in a circle of youth and congregation, in God's work. Through Due Diligence in God's work comes out the victory. "But thanks be to God who gives us the victory through our Lord Jesus" (1 Corinthians 15:57)

The District Evangelist also makes some workshop on how to make resolution in many conflicts in life. After the workshop all are very thankful for that short seminar. The seminar was attended by 22 youth from Makati Congregations.

## **APOSTLE LETTER BOX**

*Dear Apostle Hebeisen,*

*Will Globalisation affect us in our Spiritual knowledge?*

**NT**

### **ANSWER:**

Not really, globalization does not affect the spiritual knowledge. Such is inspired by the Holy Spirit who is the one and same all the time and everywhere. Of course we could say because of globalization we have better communication and our doctrine of oneness can spread and be promoted all over. Something which was not possible in the time of Jesus and the first Apostles.

Globalization has various meanings. As a modern word today it means that there are less and less borders, trade is maintained among all countries and the same rules (formulated by the WTO) do apply for all. The idea is to give to all countries equal chances and opportunities to help also the poorer nations especially the third world. That however is not always accomplished, as free trade is unfortunately not always fair trade.

Globalization means also internationalization, reaching out and having access to all people, cultures and nations. This of course has affected our Church. Since the past 40 years or so we could expand as never before and today we have newapostolic Christians, our Brothers and Sisters in Christ, children of God in almost every country. In this perspective globalization certainly has a great impact of us.

Loving greetings

Urs Hebeisen
