Editorial

My dear Youth,

The Pangasinan Youth Day is over, we are now entering Christmas Season and closing of the year and New Year 2007. Let us reinforce our mind and heart to the special word for the youth given by our Ap. Hebeisen:

Luke 13:24 "Strive to enter through the narrow gate..." The narrow gate

is the life under the guidance of the Holy Spirit. "...for many, I say to you, will seek to enter and will not be able." Not able is same with NOT WILLING.

Those who are willing to walk through the narrow gate must strive to enter through. Meaning it should be our daily task of life. Therefore everyday let us be WILLING to strive to walk and enter into the NARROW GATE of:

- FAITH
- FOLLOWING
- OVERCOMING
- SERVING

Why sometimes we are not willing to walk n our faith; such unwillingness comes from lack of trust and doubt. Not willing to follow; such unwillingness comes

from wrong priorities. Not willing to overcome; such unwillingness comes from strong earthly desires and own interest. Not willing to serve; such unwillingness comes from disappointments and discouragements.

That is why it is important to be willing to everyday. Reinforce God's Word in our hearts. Listen to Him so you can walk in the narrow gate of faith, which leads us to follow to put God first, which leads us to experience God so that we have strength to overcome and serve him joyfully!

This Christmas Season let us celebrate this season in the spirit of PEACE. "Let there be peace and let it begin with me" a song runs.

Our Chief Apostle encourages us to "receive one other (members and friends alike), just as Christ also received us (Romans 15:7).

We wish you and your loved ones much joy and peace in your Youth gatherings at Christmas, and God's blessing for the New Year.

Sincerely yours,

Timmy Gabriel

Total of 109 youth and youth leader participants joined the Pangasinan Youth Day last November 11-12, 2006 held at San Fabian PTA Beach Resort in San Fabian, Pangasinan.

The typhoon did not stop the joy in this reunion. The Saturday program proceeds smoothly with minor changes. Sports Director Mitch Panilag lead the morning exercise, Pangasinan Youth President and Vice President Armhelyn Pelisario and Karen Carganilla assisted by Pangasinan Youth prepared the delicious healthy breakfast. Regional Youth Leader (RYL) Cloyd Catan of Dumaguete City was the Master of Ceremonies (MC). "That's well and good!" a humour the youth will always remember. The Apostle Urs Hebeisen conducted a well founded seminar on Choosing a Partner for Life, a question of faith? And the time before marriage. "First step in choosing a partner is to pray and look for a SOUL MATE". The Apostle Gabriel conducted a seminar on How do you speak? Communicating properly: The good and bad effect on use of cell phones and internet. Texting and chatting. "Watch out your speech! It must reflect our childhood in God the way we speak." The lunch buffet gives strength to the afternoon sports program.

The evening was full of action in drama/role playing, singing of group and solo, instrumental guitars and dancing.

Sunday morning, typhoon is over the sun shines again, and outdoor exercise in the morning was held. After the breakfast everyone prepares for the divine service.

The divine service text word is a treasure we will never forget. Especially the story of Zaqueo who comes down from the tree because Jesus asks him so he can come down to his house. We all are called by Jesus to come down from the tree of sorrow, doubt, disappointments and earthly thinking, so Jesus can come to the house of our heart, every divine service.

After the service, fellowship and awarding of prizes and acknowledgement to all organizers followed. The Apostle Hebeisen closed the program in prayers and everybody went home, refreshed and renewed in their spirit.

NEW REGIONAL YOUTH LEADER (RYL)

The Apostle Hebeisen last November 11, 2006 in San Fabian, Pangasinan called a meeting for all ministers working in the area of Bh. Azarias.

He appointed Rector Salvador Buen as the new RYL for Luzon North. Rc. Buen accepted the commission.

APOSTLE LETTER BOX

Dear Apostle,

What spiritual ideas should I share to a friend facing unemployment?

ANSWER:

God has a plan for every one. Pray for the place where He can bless you. Ask for His will.

What we bring in prayer and honest belief before our Heavenly Father He will also grant according to words of Christ **“ask and you will be given”**

Furthermore the Lord Jesus gave very good advice in Matthew 6. My favorite is always the 33rd verse

“But seek first the kingdom of God and His righteousness and all these things shall be added to you”

I would like to say it again. Never give up to look for a job. Only endurance will bring you result.

Accept also jobs you do not like. You always gain experience and learn something and once better opportunities come you can change.

Ask for jobs, offer your skills, do not just wait hoping that somebody will find you.

God bless

Urs Hebeisen
