My dear youth and youth leaders,

We now approach the end of the months of year 2007. Looking back let us now ask “where am I now after almost a year in my new apostolic faith?”. In business they make an annual review. They ask “did we hit our goal?” They look back to their vision. How far are we, and what does it need to get there.

Everywhere we go, we will not get lost if you have a vision and a purpose. With a clear vision we can go where we want to go. We will not get lost in our journey. We will not forget where we want to go.

During our youth gathering in Subic, we develop a New Apostolic Youth Luzon Vision. As it

says in Habakkuk 2: 2 “Write the vision...”. We now write this vision as follows:

“FAITHFULLY ACTIVE IN CONGREGATIONAL LIFE AND YOUTH LIFE, ESTEEMING MY BEARERS OF BLESSING AND BROTHERS IN CHRIST, FOLLOW THEIR EXAMPLES IN FAITH AND SEEK THEIR PRAYERS AND COUNSEL IN OVERCOMING DAILY LIFE’S CIRCUMSTANCES AND EMERGE AS VICTORIOUS AND SUCCESSFUL IN A BALANCE AND SPIRITUAL LIFE.”

“Faithfully active in congregational life...”

Every New Apostolic Youth can be an active part of the congregation by

regularly attending divine services and sharing congregational life such as;

- help in Sunday school teaching
- help in choir singing
- help in orchestra playing
- help in church cleaning
- help in inviting guests

“...and youth life...”

This means to be an active part of the New Apostolic Youth Organization, regularly attending **YOUTH GATHERINGS** and sharing youth life such as;

“...esteeming my bearers of blessing and brethren in Christ, follow their examples in faith...”

This is a New Apostolic Youth character of esteeming or looking up to his/her minister, youth leader, brothers and sisters in faith and fellow young people by seeing in them especially the distinguishing characteristics of

Jesus Christ as an orientation, guide and example to follow for your present and future life of faith.

“...and seek their prayers and counsel in overcoming daily life’s circumstances and emerge as victorious and successful in a balance natural and spiritual life.”

This is also a New Apostolic Youth character of asking his/her minister or youth leader matters of practical help in life from faith in order to develop in becoming strong personalities in faith and at the same time prepare for the

return of Christ and be a part of His Bride.

In going ahead let us take the advice of Apostle Paul:

“Only let your conduct be worthy of the gospel of Christ, so that whether I come and see you or am absent, I may hear your affairs, that you steadfast in one spirit, with one mind striving together for the faith of the gospel.”
(Philippians 1: 7).

Sincerely yours,

Timmy Gabriel

Thank you heavenly Father for the great blessings...

JACOB'S DREAM

In a Regional Youth Service, District Apostle Helper Hebeisen made a wonderful parallel or meaning about Jacob's dream.

Jacob while fleeing from the anger of his brother Esau, came into the wilderness so tired and slept in the ground with a stone as his pillow.

Then Jacob slept and had a dream. He dreamt of a stair that reaches from earth to heaven, with angels going up and down the stairs. When he woke up he called the place Bethel which means holy ground.

Today, the divine service held in Church and in gathering halls or at home where no church building exists. In the place where divine service is conducted, the place can be called a holy ground. At such moment the angels of the Lord collect from the hearts that which comes from the congregation and bring it up to heaven. And the angels of the Lord come down to the Lord's

congregation to bring to them the heavenly gifts of God.

BE A LIGHT IN THE CONGREGATION

District Apostle Helper Hebeisen at a youth evening in Negros Oriental told a little story. In the 16th century there was a Christian Church in France, in which the people gathered every Sunday night for a divine service. In the course of time it became a habit that every participant of the divine service took an oil lamp with him which was lit there and put on the church bench. Thus the lights of the participants lightened up the room

darker.

We need one another, we have to rely and depend on each other.

The youth must be aware, like Jesus when he was twelve years old, he knows that He must be in his Father's business. He knows that He must be in the temple.

The DAH Hebeisen took a 12 year old boy from the crowd of the young people to demonstrate how young the Lord Jesus look like.

The story was concluded by the admonition that every New Apostolic Youth must know his place. And that the activity in that place to whatever one is gifted and talented will serve as a light in the congregation!

Apostle Letter Box

Dear Apostle Hebeisen,

How can we keep our faith strong if we see our ministers is not a worthy to follow because of his ugly attitude in his natural life, because that is what I see, not that I want to judge but that is what I see. Thanks.

My dear youth,

This question has come up again and again. It was at least asked twice in the Youth link and last at the Youth Weekend in Subic .

Obviously there is somewhere a conflict which is not solved by just asking the same question again and again. Be open and honest and let me personally know where the problem is. . That is the only way how I can help.

Write me a personal letter with facts and details or send me an sms to 0918 912 3151 for an appointment.

Loving greetings

Urs Hebeisen
